A BILL

To amend the Congressional Charter of The American National Red Cross to modernize its governance structure, to enhance the ability of the board of governors of The

American National Red Cross to support the critical mission of The American National Red Cross in the 21st century, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
 2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 *This Act may be cited as the “The American National*
 5 *Red Cross Governance Modernization Act of 2007”.*

6 **SEC. 2. FINDINGS; SENSE OF CONGRESS.**

7 *(a) FINDINGS.—Congress makes the following findings:*

8 *(1) Substantive changes to the Congressional*
 9 *Charter of The American National Red Cross have*
 10 *not been made since 1947.*

11 *(2) In February 2006, the board of governors of*
 12 *The American National Red Cross (the “Board of*
 13 *Governors”) commissioned an independent review*
 14 *and analysis of the Board of Governors’ role, composi-*
 15 *tion, size, relationship with management, governance*
 16 *relationship with chartered units of The American*
 17 *National Red Cross, and whistleblower and audit*
 18 *functions.*

19 *(3) In an October 2006 report of the Board of*
 20 *Governors, entitled “American Red Cross Governance*
 21 *for the 21st Century” (the “Governance Report”), the*
 22 *Board of Governors recommended changes to the Con-*
 23 *gressional Charter, bylaws, and other governing docu-*

1 *ments of The American National Red Cross to mod-*
2 *ernize and enhance the effectiveness of the Board of*
3 *Governors and governance structure of The American*
4 *National Red Cross.*

5 *(4) It is in the national interest to create a more*
6 *efficient governance structure of The American Na-*
7 *tional Red Cross and to enhance the Board of Gov-*
8 *ernors' ability to support the critical mission of The*
9 *American National Red Cross in the 21st century.*

10 *(5) It is in the national interest to clarify the*
11 *role of the Board of Governors as a governance and*
12 *strategic oversight board and for The American Na-*
13 *tional Red Cross to amend its bylaws, consistent with*
14 *the recommendations described in the Governance Re-*
15 *port, to clarify the role of the Board of Governors and*
16 *to outline the areas of its responsibility, including—*

17 *(A) reviewing and approving the mission*
18 *statement for The American National Red Cross;*

19 *(B) approving and overseeing the corpora-*
20 *tion's strategic plan and maintaining strategic*
21 *oversight of operational matters;*

22 *(C) selecting, evaluating, and determining*
23 *the level of compensation of the corporation's*
24 *chief executive officer;*

1 (D) evaluating the performance and estab-
2 lishing the compensation of the senior leadership
3 team and providing for management succession;

4 (E) overseeing the financial reporting and
5 audit process, internal controls, and legal com-
6 pliance;

7 (F) holding management accountable for
8 performance;

9 (G) providing oversight of the financial sta-
10 bility of the corporation;

11 (H) ensuring the inclusiveness and diversity
12 of the corporation;

13 (I) ensuring the chapters of the corporation
14 are geographically and regionally diverse;

15 (J) providing oversight of the protection of
16 the brand of the corporation; and

17 (K) assisting with fundraising on behalf of
18 the corporation.

19 (6)(A) The selection of members of the Board of
20 Governors is a critical component of effective govern-
21 ance for The American National Red Cross, and, as
22 such, it is in the national interest that The American
23 National Red Cross amend its bylaws to provide a
24 method of selection consistent with that described in
25 the Governance Report.

1 (B) *The new method of selection should replace*
2 *the current process by which—*

3 (i) *30 chartered unit-elected members of the*
4 *Board of Governors are selected by a non-Board*
5 *committee which includes 2 members of the*
6 *Board of Governors and other individuals elected*
7 *by the chartered units themselves;*

8 (ii) *12 at-large members of the Board of*
9 *Governors are nominated by a Board committee*
10 *and elected by the Board of Governors; and*

11 (iii) *8 members of the Board of Governors*
12 *are appointed by the President of the United*
13 *States.*

14 (C) *The new method of selection described in the*
15 *Governance Report reflects the single category of*
16 *members of the Board of Governors that will result*
17 *from the implementation of this Act:*

18 (i) *All Board members (except for the chair-*
19 *man of the Board of Governors) would be nomi-*
20 *nated by a single committee of the Board of Gov-*
21 *ernors taking into account the criteria outlined*
22 *in the Governance Report to assure the expertise,*
23 *skills, and experience of a governing board.*

24 (ii) *The nominated members would be con-*
25 *sidered for approval by the full Board of Gov-*

ernors and then submitted to The American National Red Cross annual meeting of delegates for election, in keeping with the standard corporate practice whereby shareholders of a corporation elect members of a board of directors at its annual meeting.

(7) The United States Supreme Court held The American National Red Cross to be an instrumentality of the United States, and it is in the national interest that the Congressional Charter confirm that status and that any changes to the Congressional Charter do not affect the rights and obligations of The American National Red Cross to carry out its purposes.

(8) Given the role of The American National Red Cross in carrying out its services, programs, and activities, and meeting its various obligations, the effectiveness of The American National Red Cross will be promoted by the creation of an organizational ombudsman who—

(A) will be a neutral or impartial dispute resolution practitioner whose major function will be to provide confidential and informal assistance to the many internal and external stakeholders of The American National Red Cross;

1 (B) will report to the chief executive officer
2 and the audit committee of the Board of Gov-
3 ernors; and

4 (C) will have access to anyone and any doc-
5 uments in The American National Red Cross.

6 (b) SENSE OF CONGRESS.—It is the sense of Congress
7 that—

8 (1) charitable organizations are an indispensable
9 part of American society, but these organizations can
10 only fulfill their important roles by maintaining the
11 trust of the American public;

12 (2) trust is fostered by effective governance and
13 transparency, which are the principal goals of the
14 recommendations of the Board of Governors in the
15 Governance Report and this Act;

16 (3) Federal and State action play an important
17 role in ensuring effective governance and trans-
18 parency by setting standards, rooting out violations,
19 and informing the public;

20 (4) while The American National Red Cross is
21 and will remain a Federally chartered instrumen-
22 tality of the United States, and it has the rights and
23 obligations consistent with that status, The American
24 National Red Cross nevertheless should maintain ap-
25 propriate communications with State regulators of

1 *charitable organizations and should cooperate with*
2 *them as appropriate in specific matters as they arise*
3 *from time to time; and*

4 *(5) while The American National Red Cross is*
5 *and will remain a Federally chartered instrumen-*
6 *tality of the United States, and it has the rights and*
7 *obligations consistent with that status, The American*
8 *National Red Cross nevertheless should maintain ap-*
9 *propriate communications and collaborations with*
10 *local, community, and faith-based non-profit organi-*
11 *zations, including those organizations that work with-*
12 *in minority communities.*

13 **SEC. 3. ORGANIZATION.**

14 *Section 300101 of title 36, United States Code, is*
15 *amended—*

16 *(1) in subsection (a), by inserting “a Federally*
17 *chartered instrumentality of the United States and”*
18 *before “a body corporate and politic”; and*

19 *(2) in subsection (b), by inserting at the end the*
20 *following new sentence: “The corporation may con-*
21 *duct its business and affairs, and otherwise hold itself*
22 *out, as the ‘American Red Cross’ in any jurisdic-*
23 *tion.”.*

1 **SEC. 4. PURPOSES.**

2 *Section 300102 of title 36, United States Code, is*
3 *amended—*

4 *(1) by striking “and” at the end of paragraph*
5 *(3);*

6 *(2) by striking the period at the end of para-*
7 *graph (4) and inserting “; and”; and*

8 *(3) by adding at the end the following para-*
9 *graph:*

10 *“(5) to conduct other activities consistent with*
11 *the foregoing purposes.”.*

12 **SEC. 5. MEMBERSHIP AND CHAPTERS.**

13 *Section 300103 of title 36, United States Code, is*
14 *amended—*

16 *wise provided,” before “in the bylaws”;*

17 *(2) in subsection (b)(1)—*

18 *(A) by striking “board of governors” and*
19 *inserting “corporation”; and*

20 *(B) by inserting “policies and” before “reg-*
21 *ulations related”; and*

22 *(3) in subsection (b)(2)—*

23 *(A) by inserting “policies and” before “reg-*
24 *ulations shall require”; and*

25 *(B) by striking “national convention” and*
26 *inserting “annual meeting”.*
